

 THE DIOCESE OF
HARRISBURG

Impact Report 2023

Brothers and Sisters in Christ,

In June 2023, I was warmly welcomed to Harrisburg as your new bishop. My travels through the Diocese in the months since, have been a truly blessed experience. Encounters with our clergy and religious, as well as so many deeply committed lay people of all ages and varied cultural and ethnic backgrounds have been so inspiring. It has been so rewarding to learn all I can about my new home. It is apparent that the Church in Harrisburg is strong.

My travels have taken me to all corners of the Diocese, and have provided many opportunities to see partnerships between our parishes, Catholic schools, and Diocesan ministries in action. It has been encouraging to witness first-hand the impact of these partnerships, specifically those supported through our Diocesan Annual Campaign. This annual campaign is the primary source of income to fund the ministries and programs of the Diocese, which in turn support parishes, Catholic schools, and the programs and services of Catholic Charities.

Our mission as a Diocese is to “proclaim the goodness of God and to make truly present and active the one, Holy, Catholic and Apostolic Church of Jesus Christ.” We accomplish this through our ministries and programs, working side by

side with our parishes, Catholic schools and Catholic Charities. And this work is making an impact.

In the pages that follow in our annual Impact Report, the ministries, programs, and offices that receive financial support through the Diocesan Annual Campaign provide an overview of their stewardship of your generosity. Tremendous growth has occurred in our Catholic Life and Evangelization ministries; Catholic education is flourishing; Catholic Charities continues providing vital human services; and our Communications efforts keep the faithful and public informed of the work of our local Church. These efforts and many others further our mission and the call of the Gospels.

As we begin 2024, I thank you for your warm welcome, continued prayers and continued support for our Diocese and our ministries. Your gifts of prayer, your talents, and your generosity make us a stronger, more responsive local Church that can better meet the pastoral needs of our brothers and sisters. We are one family in Christ and together, we are helping to ensure a vibrant future for our parishes, Catholic schools, Catholic institutions, and ministries throughout the 15 counties of our Diocese.

May God bless you and all the clergy, religious and lay faithful of the Diocese of Harrisburg.

Sincerely in Christ,

Most Reverend Timothy C. Senior
Bishop of Harrisburg

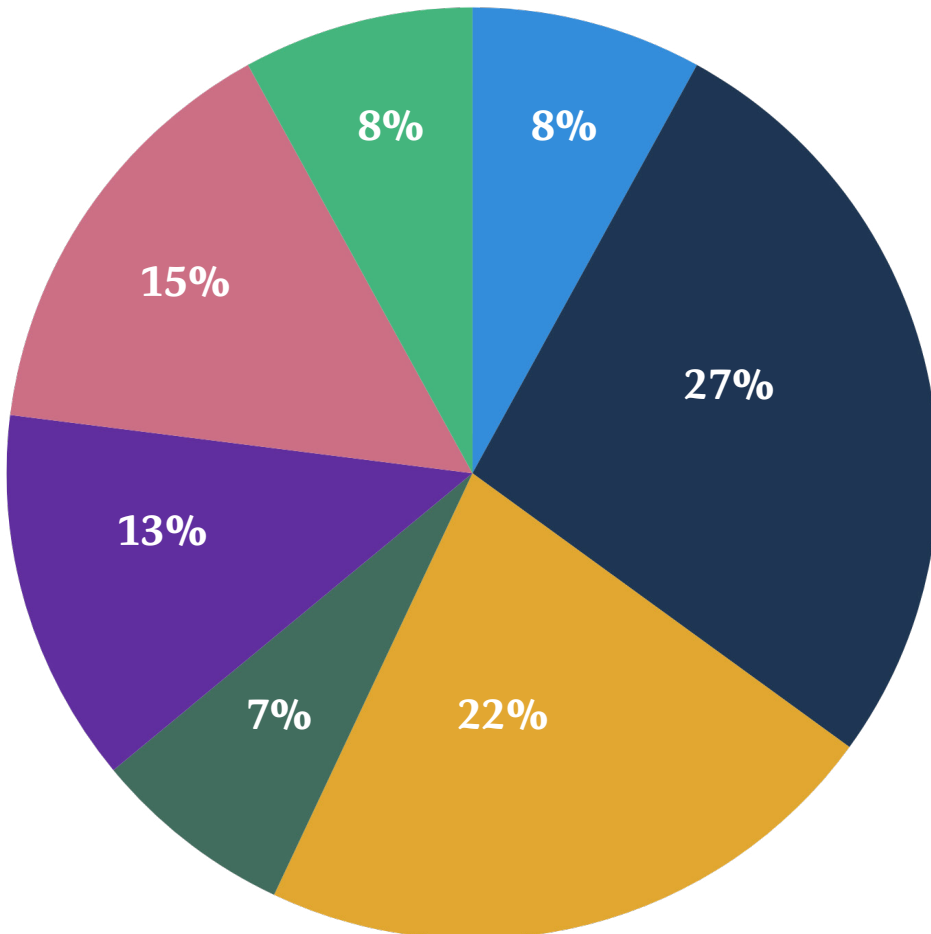

2023 Diocesan Annual Campaign

The Diocesan Annual Campaign (DAC) provides the vast majority of the financial resources needed to operate Diocesan ministries and programs, which in turn provide support for many parish level programs.

The DAC partners with our parishes and the faithful,

working together to strengthen the ministries and outreach, and further the mission of Jesus Christ in our Diocese.

In 2023, our goal was to raise \$7,339,816 to support these ministries. Below is a breakdown of how DAC gifts were distributed to these programs.

Evangelization (27%) includes support for our Multicultural, Campus, Youth and Young Adult, and Family and Respect Life Ministries; Parish ministry support and Communications.

Parish support (22%) includes preservation of Parish records, **Youth Protection**, continuing formation for clergy and religious, Liturgical materials and Canonical assistance through the Tribunal.

Vocations (7%) support our seminarians and those in formation as Permanent Deacons.

Support for the **Bishop's Office (13%)**, the Priests Retirement Center and supplemental medical for our clergy.

Educational programing (15%) supports the work of our Parish based Catholic schools and Catholic high schools, our Parish Religious Education programs, catechist formation, the Principal's Academy, and Catholic Scouting.

Administrative operations (8%) include the Office of the Vicar General and our Development office, which covers the Campaign cost.

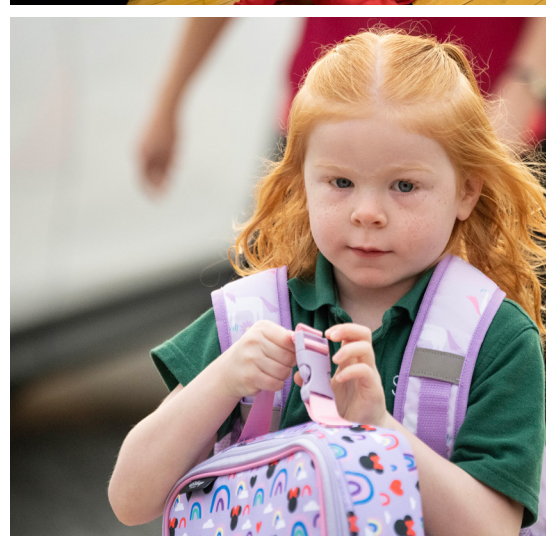

The DAC funding provides a portion of the financial resources needed for **Catholic Charities (8%)** to operate their more than 20 programs.

Catholic Education

Throughout the 2022-2023 academic year, the Office of Catholic Education continued to support our 34 Catholic schools and all parish religious education programs with resources, training and guidance.

Culture, Identity & Outreach

The Diocese has a rich heritage of cultural diversity and ethnicity. Under our Office for Culture, Identity and Outreach, we spotlight and minister to the mosaic of peoples and cultures that exist in the Church family. Highlights of our work in 2023 are below.

Vietnamese Apostolate

- In January, the Vietnamese community began the new year with a great celebration at St. Anne and Our Lady of La Vang Parish in Lancaster. The celebration included Mass followed by a reception/festival.

Black Catholic Apostolate

- February brought the Black Catholic Apostolate Mass in celebration of Black History month. Most Reverend Jerome Feudjio, Bishop of the Diocese of St. Thomas in the U.S. Virgin Islands, was the Celebrant.
- In July, the Diocese sent representatives to the National Black Catholic Congress, that is typically held every five years. At the Congress, we celebrated the Catholic faith with over 3,000 Black Catholic faithful from across the United States and participated in a food distribution project.
- The Black Catholic Apostolate picnic was hosted in August at City Island, Harrisburg. Music, dancing, food, fellowship, and a display with the black Catholic Church history in the local area were featured.
- A Mass celebrating African heritage was hosted in November at St. Joan of Arc in Hershey.

Hispanic Ministry

- In partnership with Women of Grace, a one day seminar was held for the Hispanic women of the Diocese, bringing in over 100 women.
- The Hispanic Charismatic Renewal Group held a Conference

/ Congress at the Diocesan Center where over 325 people attended.

- Representatives attended the National Catholic Hispanic Conference for Diocesan Leaders, which has assisted in forming a larger network of Hispanic Catholic ministry leaders.
- Continue to assist parishes with Hispanic Liturgical Celebrations.

Other Cultural Events

- Celtic Fling: Coordinated the Liturgy Mass for the community. This Mass is hosted annually on the grounds of the Pennsylvania Renaissance Faire.
- In May, we extended awareness of the Diocesan Filipino community in the first Santa Cruzan event. This event hopes to bring to light the Filipino community living in our Diocese.

Identity

- The Diocese participated in the Annual Courage Conference (via ZOOM) which gave the opportunity to listen to presentations and testimonials of people with same sex attraction. Courage International is an organization that serves the spiritual needs and accompaniment of those with a same sex attraction, speaking the teachings of the Church through love.
- In order to support all our Church families, we continue searching for ways to support the spiritual needs of our LGBTQ brothers and sisters, while being true to Church teaching.

Thanks to the generosity of our DAC donors, the Office for Laity & Family continued to provide strong programming, formation, and support for lay organizations, parish marriage and family ministries, and the lay faithful throughout the Diocese in 2023.

The Office sponsored over 30 retreat and conference opportunities that addressed a variety of needs:

- Marriage preparation
- Bereavement support
- Marriages in crisis
- Men's and Women's Conferences
- Parish Pastoral Council training

Laity & Family

The annual 50th Wedding Anniversary Mass continued to be a hit, with 275 couples invited to brave a downpour and celebrate their important milestone at Good Shepherd Parish.

This year also saw continued growth and change for the Office. We welcomed a new Director for Laity & Family in May, and with her, a renewed vision and mission for the Office. In the second half of the year, the Office visited and established foundational relationships with 15% of the Diocese's parishes and 25% of the major Catholic organizations and apostolates in the area. In addition, the Office focused on four critical initiatives:

- Reviewing and revising policy and best practices for Diocesan marriage preparation to simplify and streamline guidance while addressing emerging needs in the preparation process
- Introducing two new ministry opportunities: Red Bird Ministries, which guides families through the complexity and trauma of the loss of a child, and Life-Giving Wounds for adult children of divorced parents
- Introducing the first Diocesan Mass for Child Loss for families that have lost a child from pregnancy through adulthood
- Expanding Springs in the Desert (introduced in 2022) resources and events for couples in a season of infertility
- Preparing for the relaunch of an updated and expanded NFP Ministry
- Revising and introducing a New Mentor Couple Formation Day, while laying the groundwork for an intentional Diocesan Mentor Couple Ministry starting in early 2024

In the year to come, the Office will continue to grow foundational relationships across the Diocese and partner with parishes to establish new ministries and foster holistic approaches to supporting strong and faithful individuals, families, and communities.

The Office of Vocations serves to help our Diocesan faithful approach the simple but profound question, “What is God calling me to do with my life?”

Taking inspiration from that question, in 2023 the Office of Vocations:

- Sponsored 11 Seminarians

Catholic Charities

Catholic Charities in the Diocese of Harrisburg provides help and creates hope for thousands of men, women, children and families in our communities. As the human services arm of the local Church, Catholic Charities is fighting poverty, impacting communities and improving the quality of life for our brothers and sisters through their core program areas: counseling support, immigration and refugee services, Evergreen House for women, Lourdeshouse Maternity Home, Interfaith Shelter, adoption and foster care services, intensive family services, Paradise School and Lancaster Intensive Day Treatment.

Through the work of Catholic Charities, we understand the challenges that many are facing, whether these challenges are physical, emotional, or economical. When a family is homeless, Catholic Charities helps them find shelter. When someone is struggling to make ends meet, basic necessities are provided so they can live with dignity. When a client confronts a mental health crisis due to years of trauma, services are in place to help them recover. When a pregnant mom is scared and homeless, Catholic Charities gives security to her and her baby. When someone is dealing with addiction, Charities is there, walking with them on the road to recovery. All of this is done because Christ calls us to do so.

During the 2022-23 fiscal year, Catholic Charities in the Diocese of Harrisburg provided help and hope to our communities by:

- Providing 40 state-wide adoption network services
- Placing 18 foster children and providing training for 24 foster parents
- Serving 8 clients and 25 family members through family-based mental health services
- Offering English as a Second Language (ESL) classes for 491 individuals

- Offering 25,896 transportation service miles for clients at Evergreen House
- Providing quality educational programs for 106 students at Paradise School

Communications

The Communications Office provides support for the Diocesan Bishop, our Diocesan ministries and programs, and the parishes and Catholic schools with communications, public relations, social media, crisis communications, media relations and digital communication expertise. This office also shares the news of the Diocese through the digital *Catholic Witness*. During 2023 and through your support of the Diocesan Annual Campaign, this office accomplished the following:

Tribunal & Canonical Affairs

Early in the Church's life, the need was recognized for some sort of structure to adjudicate questions of justice raised by its members. Jesus outlined the order to be followed when one Christian follower had a complaint against another, including the need for witnesses and possible punishment (Mt. 18: 15-17).

Centuries after apostolic times, the Church recognizes the authority of many civil courts in most areas of life. But the Church, as a society of believers, claims the exclusive right to answer questions that involve spiritual matters (e.g. sacraments), members' rights, and violations of Church law. In a more formal way, this is done through the Church's own court or legal system. At its most basic level, this court system exists in every diocese through a tribunal. The Diocesan Tribunal of Harrisburg is the first level or instance of the multi-tiered court system of the Roman Catholic Church.

This office is a vital component to Diocesan operations. The Tribunal reflects Christ in its ministry of justice through the compassionate and equitable application of Church law to protect the rights and dignity of each person without discrimination, and to provide an opportunity for healing.

In meeting this vital work, so far in this year the Tribunal has:

- Received more than 275 inquiries regarding Decrees of Nullity (the annulment process)
- Accepted over 100 formal cases for a Decree of Nullity
- Processed over 75 non-formal cases for a Decree of Nullity
- Granted over 380 permissions and dispensations for couples entering marriage
- Answered numerous questions from clergy and parish staff concerning the sacraments and issues that directly or indirectly involve Canon Law.
- Submitted petitions for the resolution to clergy issues
- Worked on canonical concerns dealing with communities of religious life
- Assisted the Finance Office and Office of the Bishop with transferring Diocesan properties as it relates to Canon Law

Archives

The Archives for the Diocese of Harrisburg maintains a library of approximately 3,500 volumes and a wide range of sacred items and artifacts, and houses over 130 collections.

In the past year, three new first-class relics and over 1,500 new documents and historical books have been catalogued and added to the Diocesan Archival Collection. The Archives has continued to assist parishes with the creation of their parish historical collections as well as assisting individuals with not only their own Sacramental Records search but also those of their ancestors.

PROMISE TO PROTECT

PLEDGE TO HEAL

Youth Protection

The Diocese of Harrisburg has once again been found in compliance with the U.S. Bishops' "Charter for the Protection of Children and Young People." The annual audit was conducted in September by StoneBridge Business Partners, a Rochester, N.Y. firm contracted by the United States Conference of Catholic Bishops. The Diocese has passed this independent audit of its child protection procedures every year since the policy was adopted by the United States Conference of Catholic Bishops in 2002.

This year, the audit was conducted onsite at the Diocesan offices, which occurs throughout the nation's 195 dioceses once every three years. As an onsite audit, in addition to providing written documents demonstrating our compliance with the Charter, the process also included interviews with Diocesan staff who work with our Safe Environment and Youth Protection programs, members of the Diocesan Review Board, select members of the clergy, and Bishop Senior. Site visits to randomly selected parishes and Catholic schools in the Diocese were also part of the audit process. During these visits, the auditors met with parish and school staff to review that location's youth protection procedures.

Some of the information reported through the audit this year included:

- 12,786 students enrolled in Catholic schools in the Diocese or in parish religious education programs in the Diocese received Safe Environment training.
- 150 priests, along with 71 permanent deacons and 29 candidates for ordination (seminarians and candidates for the permanent diaconate) completed background checks and safe environment training.
- 836 educators and administrators in Diocesan Catholic schools, 1,812 employees of the Diocese or its parishes across fifteen counties, and 7,855 volunteers at schools, parishes and Diocesan facilities have received training on how to keep children safe.

The Diocese of Harrisburg provided all the requested information to the auditors, which they confirmed to be complete in their final report. This annual audit evaluates each diocese's efforts to ensure the protection of children, including criminal background checks and educational awareness programs on recognizing and preventing abuse.

Vicar General & Secretary for Clergy

The Secretariat for Clergy and Consecrated Life has a mission to support the life and work of priests, permanent deacons, and those in consecrated life as they live lives of service within the communion of the Church. This office promotes vocations and is committed to providing ongoing formation for those in Holy Orders and supporting those in consecrated life.

In addition, the Office of the Vicar General and Moderator of the Curia assists the Diocesan Bishop in coordinating the pastoral governance and ministries of the Diocese. By working closely with the Diocesan Bishop and other members of the Diocesan administration, the Vicar General is charged with leading the Diocesan offices and ministries in the fulfillment of pastoral goals and objectives set forth by the Diocesan Bishop.

Some of the activities of these two offices in 2023 included:

- Planned seven training sessions for our newly ordained and new pastors. These afternoon sessions, held over a period of several weeks, cover a range of topics including parish and rectory living, personal financial planning, and Diocesan services and programs.
